## SCAVENGER HUNT AROUND THE HOUSE

1. Front Door

This thing is much bigger than a mouse.  
It is the thing we open to let people into our house.

I am proud of you and that's no lie.  
The next clue is behind the door where there are towels that are dry.

5. Linen Closet

2. Kitchen Table

In my eyes you'll always be a winner.  
You'll find the next clue where we eat our dinner.

I think that you are the absolute best.  
Go to where you kick your feet up and rest.

6. Couch

3. Bathroom

I love you beyond compare.  
The next clue is in the room where you clean your hands, teeth, and hair.

Seeing you always puts me in a good mood.  
Go to the place where we nuke our food.

7. Microwave

4. TV

With your talent and abilities oh, the places you'll go.  
Now go to the item where you watch your favorite show.

The qualities you have cannot be beat.  
The final clue is a place that produces a lot of heat.  
Go and open its door and you will find your treat!

8. Oven
