FOR YOUNG MEN

What are some of the issues that you think will be difficult for you in the next few years?

Does the idea of becoming a man scare you or make you nervous? Why or why not?

If you could have one question answered about the road ahead for you, what would it be?

What is the best piece of advice your dad, mom, adult leader, coach, or mentor has given you so far?

How would you define manhood?

Do you view the upcoming years of your life as an adventure or just a regular part of your life?

Where do you see yourself in 5 years?

Do you think you will still have the same friends in 5 years?

What is the biggest mistake you think you have ever made? What did you learn?

What is the key to being successful in life?

What is the most important thing to look for in a girl?

How will you handle money?
